LUXURY SHOWERS

Features

- Design: Calices combines showers and lighting in an aesthetical, sleek and graceful design to provide you the experience of luxury showers
- Four Different Calices Models: The four different models of shower heads and LED lamps give you the freedom to design a shower configuration of your choice. There can be only four showerheads/ LED lamps on one fixing plate.
- Material: Solid Brass
- Finish: Chrome-plated
- Average Water Flow Rate : 18 liters/ minute
- Average Water Flow Rate of Each Showerhead: 6-8 liters/ min
- Minimum Dynamic Pressure: 1 bar
- Colour Temperature of Lamp: 3000 °K (warm light)
- Water and Dust Protection Ingress: IP67 [Note 1]
- LED Power Output: 5 W
- Light Intensity: 500 lumen
- LED Driver: SELV [Note 2]
- False Ceiling Fixing Plate: The finish of the fixing plate provided along with the kit matches with your shower heads and LED lamps avoiding any discrepancies in color tonality and providing a uniform look to your bathroom.
- Patented and registered model

Note 1: IP (Ingress Protection) rating of 67 protects Calices from contact from harmful dust and immersion in water upto 1 meter for half an hour. This makes it completely dust resistant and water resistant.

Note 2: SELV stands for Safety Extra Low Voltage. This system is electrically separated from earth and other systems thereby preventing a risk of an electric shock and fluctuation in output voltage

CONFIGURATIONS

All Calices Shower Heads and LED Lamps require false ceiling for their installation. These Shower heads posses the property of anti-scaling (prevents the shower to loose its charm from the hard water)

Set of 2 Shower Heads and 2 LED Lamps
With Manifold and False Ceiling Fixing Device
Article no.:589.76.000 - Chrome Finish
589.76.060 - Copper Finish

Mixer and Diverter

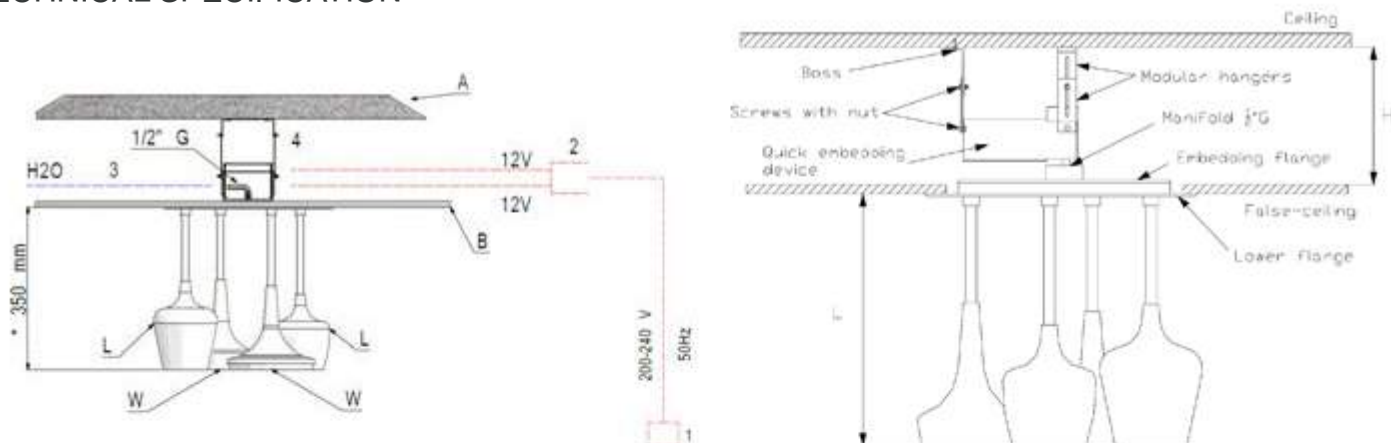

Built-in Mixer with Diverter
Article no.:589.76.090 - Chrome Finish
589.76.120 - Copper Finish

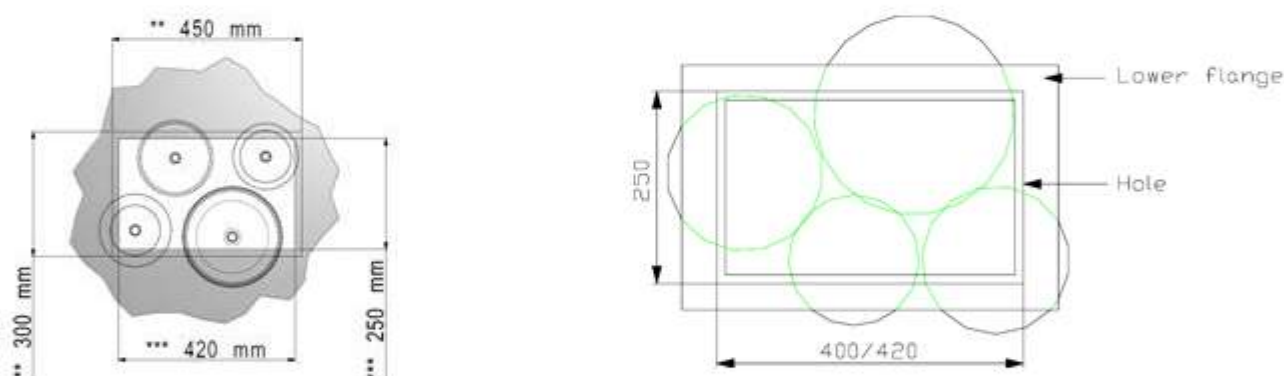

Mixer with Diverter: Thermostatic Mixer with diverter
Article no: 589.76.091- Chrome Finish

TECHNICAL SPECIFICATION

Front View- Installation of Shower Heads & Water and Lighting Connections
