

Wellness

JAL proudly presents the widest and the most luxurious range of wellness products.

The range includes Steam Rooms, Sauna Systems, Whirlpool Tubs, Shower Panels, Plain Tubs and Whirlpool Foot Massage systems. All these products come in pleasing shapes and variety of features. PMMA (Polymethyl Methacrylate) sheet is used to craft all acrylic products. Fiberglass enforcement is done to make the products durable and long lasting. Authentic Finland pinewood is used to manufacture the Sauna systems.

Enjoy the Salubrious experience of JAL wellness products!
