THE VERSATILE SOLID SURFACE MATERIAL

RAUVISO mineral | HANEX solid surfaces

The solid, through-colored surface material RAUVISO mineral / Hanex Solid Surfaces can be used in various ways with a stone-like appearance, warm, pleasant feel and excellent processing properties. The solid surface material captivates with its timeless design and its durability thanks to excellent material properties. There are hardly any constraints in relation to the application areas – the solid surface material can be used in kitchens, bathrooms, offices, in public areas, in gastronomy and in hotels, in laboratories as well as in the medical sector.

DECORATIVE DESIGN COLLECTION

112 decorative designs and a fitting product range with wash basins, shower trays and bathtubs will be available when the product range is launched. 12 decorative designs were developed for REHAU and ensure a design match with polymer surfaces.

RAUVISIO SURFACE CONFIGURATOR

The service for joiners

Configure your made-to-measure front in four easy steps from one piece. You will subsequently get a completely edged component with total seamless integration as we exclusively process our patented zero-joint edgeband RAUKANTEX pro. You will get a perfect component and maximum quality with a minimum of processing work.

www.rehau.com/boards

Your advantages with the surface configurator at a glance:

1 piece -
production

Convenient
delivery

Matching edgeband
with invisible joint quality

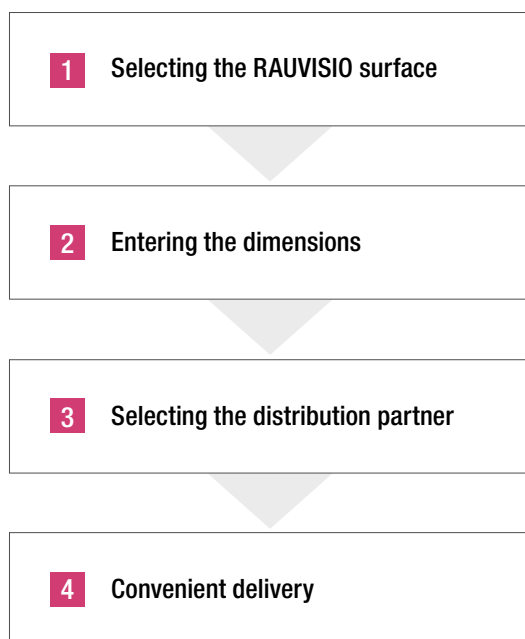

Made-to-measure fronts
– no off-cuts

Easy
online ordering

Configure your own made-to-measure front in **simple steps from one piece**. You will then obtain a finished, edged with total seamless integration – as we only work with our patented zero-joint edgeband RAUKANTEX pro.

Surface configurator is not available in all countries.

We provide various services, which are supposed to help you realise your vision:

www.rehau.com/interior

Our central platform, which we offer to help you successfully handle your projects. In addition to product information, assembly videos and brochures, additional services are at your disposal there.

Edgeband search and sample service

Find the matching edgeband for your surface with just a few clicks! Matched to **more than 15,000 boards of all leading manufacturers** our edgebands can be supplied at short notice **from a meter** respectively **a coil**. See the perfect match between edgeband and board for yourself and order a free-of-charge sample!

We are never far away.
