Store, Hang, Protect, Contain, Pull out.

Salice opens a new world of elegance and refinement, enriching its existing wide products range with the launch of Excessories, its first collection of accessories with the highest aesthetic-functional qualities.

An infinite variety of solutions designed to optimise space and to facilitate the perfect arrangement of wardrobe interior fittings, offering infinite possibilities of exquisite style and convenience.

Excessories - Night Collection allows wardrobes and walk-in wardrobes of all styles to accommodate elegant hangers, scarves and tie hangers, bag hangers, cotton garment holder bags, trouser hangers and shoe racks, all elements of singular refinement and efficiency.

The drawers, with soft shapes and high design, and the illuminated shelves transform the walk-in wardrobe into an inspirational space and make it the most appreciated and coveted place in the home.

The materials of the collection, from fabrics to leather and imitation leather, breathe life to endless combinations.

Excessories is also the winner of the Interzum Award: Intelligent Material & Design 2019, a competition organized by Koelnmesse in cooperation with Red Dot. This prestigious award is given to products that best represent technological innovation combined with functionality and design. The judging panel has conferred on Excessories the highest recognition as "Best of the Best" in the category "Fittings, glass and lighting".
