

Gioia 120 and Gioia 90 Translucent White with LED

GIOIA

Gioia 120 Translucent White with and without LED

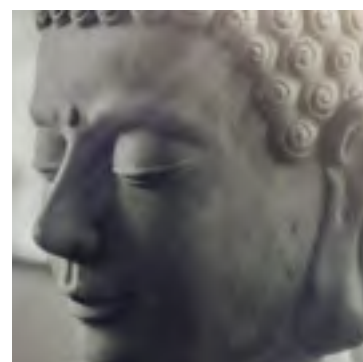

Gioia 120 Baltic Brown without and with LED

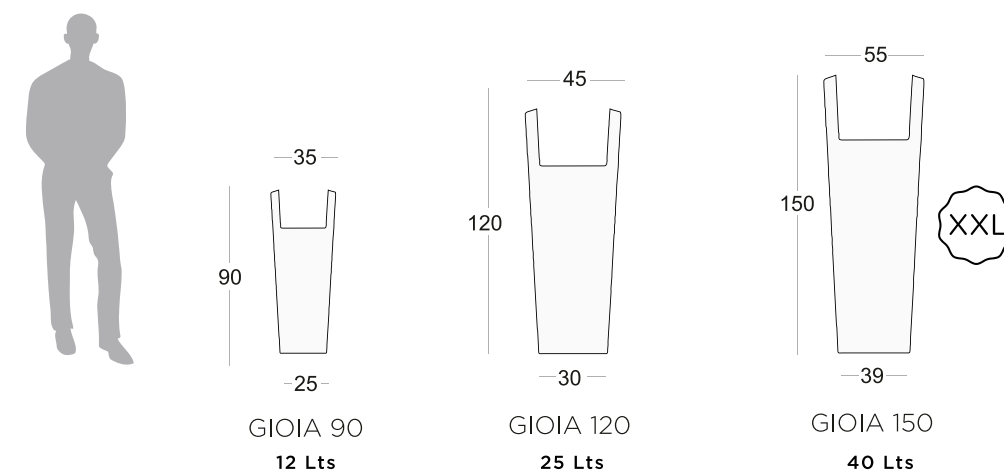

Gioia 90 in Polar White

## GIOIA (gee - oo - eaaa)

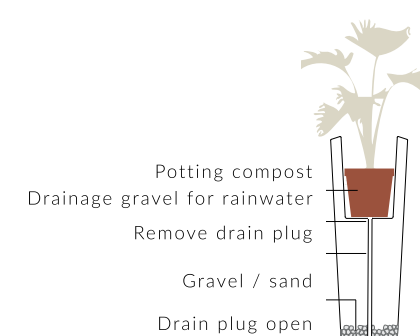

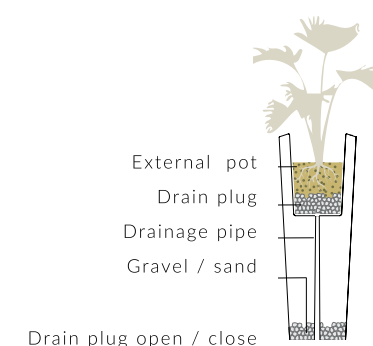

Minimal slim design gives a sense of lightness. Very small footprint, these illuminated planters can fit in tight spaces. Gioia means “happiness” – this is the principle of design for this product. Beautiful and versatile, the Gioia planters are a joy to be around. Available in three sizes, these planters are perfect for staircase landings and tight corners. Best used with an internal pot and illuminated.
