

COLLARO

Character meets style

Nowadays there is more to modern design than just aesthetics. Indeed, Collaro creates a welcoming living space of timeless beauty for feeling good. Defined by a delicate elegance yet still cosy. The striking recessed design edge gives the collection its distinctive look. Experience a bathroom that knows how to unite characteristic shapes, high-quality materials and practical functionality in a stylish way.

Ceramics

- + Wide range of washbasins in many shapes and sizes made from high-quality TitanCeram
- + Straight-lined design with extremely thin walls, precise radii and slim edges
- + The design edge also acts as a splashguard and protective rim

Bathroom furniture

- + Vanity units to match the vanity washbasins are extremely practical and provide plenty of storage space
- + Continuously dimmable lighting around the handles produces a decidedly homely atmosphere
- + Available in many on-trend shades with colour-matched aluminium handles
- + Surface-mounted washbasins can be combined with the Legato and Finion furniture collections

Baths

- + Perfectly matched design elements
- + Versatile acrylic built-in baths and back-to-wall monolithic models in various sizes and designs
- + Design highlights: square outlet and integrated overflow in the Villeroy & Boch tap fitting colours Chrome, Black Matt, Champagne & Gold
- + Optionally available with Villeroy & Boch whirlpool systems and integral water inlet, wall-facing baths also available as Colour on Demand in BiColour look
